SPEC1-3 GHOSTS OF THE PAST: SIREN'S LURE (H3)

SPEC08 Iliathor, Brooch of Friendship

For rescuing the impulsive young nobles of House Iliathor, the influential family is indebted to you. As a token of their appreciation, you are given a brooch, carved in the shape of a star. If the wearer is knocked unconscious, the brooch emits starlight that pierces even magical darkness, so friends may find you even in the darkest of places.

If this is the third special recognition by an eladrin kingdom (similarly worded story awards) the coronal instead offers you the title Sha'Quessir, elf-friend. If accepted, you become a full citizen of the eladrin kingdoms of the Forgotten Realms (Evereska or Myth Drannor) with all the attached privileges and duties. An eladrin or elf instead is offered to become a Knight of Myth Drannor.

SPEC09 Honored Friend

You recovered the age-old baneblade Faervian, something the eladrin of Myth Drannor will remember for ages. A celebration was held in your honor in which the coronel thanked each of you in person. This counts as a separate recognition by an eladrin kingdom, potentially allowing you to be named elf-friend. See SPEC08 for details.

SPEC10 Wielder of Faervian

Forged centuries ago by a powerful archmage, the baneblades of Demron are six legendary and unique weapons. Only the most worthy heroes are permitted to wield them, and for your service to the people of Myth Drannor, you have been presented with *Faervian*.

As a condition of being the *Wielder of Faervian*, you must change your home region to Myth Drannor and must have taken *Faervian* as a magic bundle. This change in home region does not impact your background benefit, but you are now considered to be affiliated with Myth Drannor. If more than one PC wields the blade at one table, and it is important to the adventure, pick one as wielding the real blade for that adventure. The others wield an ordinary magical *sunblade*.
